MILWAUKEE RADIO AMATEUR'S CLUB

To Whom It May Concern,

I am writing in reference to a listing of your club in the Discover Milwaukee Book of 1987. I am 20 years old, and interested in the field of Radio Communications. I'm hoping that your club would accept me. I don't know too much about it, but would really like to learn the fundamentals not only of Radio Broadcasting, but of Radio equipment and it's usage.

I am hoping that your club members maybe able to give a little direction as to classes and seminars related to this field of work.

If you think that this club is ready for a fast-learning motivated person, I hope that you will contact me with more information.

Thank You for your time,

Judi Hawk

DEAR MS. HAWK,

THANK YOU FOR YOUR LETTER OF JUNE 20TH. YOUR ENTHUSIASTIC APPROACH IN DESIRING TO BECOME INCREASINGLY INVOLVED IN RADIO COMMUNICATIONS IS REFRESHING.

OUR CLUB IS BASED UPON AMATEUR RADIO AND IS A GROUP OF RADIO AMATEURS OR WOULD BE RADIO AMATEURS. AS SUCH AMATEUR RADIO IS A HOBBY, THUSLY DOES NOT HAVE COMMERCIAL RADIO BROADCASTING AS A PART OF IT. IN FACT, COMMERCIALISM IS ILLEGAL ON AMATEUR RADIO.

THE MILWAUKEE RADIO AMATEURS' CLUB DOES SPONSOR CLASSES FOR THE PURPOSE OF AIDING INTERESTED PERSONS IN BECOMING RADIO AMATEURS. THE CLASSES COVER THE REQUIRED MATERIAL WHICH WILL BE A PART OF THE EXAMINATIONS THE F.C.C. REQUIRES OF PERSONS FOR LICENSES BEFORE THEY CAN ACTIVELY ENGAGE IN EXCHANGE OF RADIO TRANSMISSIONS VIA THE ALLOTED AMATEUR FREQUENCIES (BANDS).

I HAVE ENCLOSED AN ANNOUNCEMENT RELATIVE TO CLASSES WHICH WILL BE GIVEN COMMENCING ON AUGUST 30TH AND RUNNING FOR TWELVE SUCCESSIVE WEDNESDAYS THROUGH NOVEMBER 15TH.

WE WOULD WELCOME YOU TO MEMBERSHIP IN OUR CLUB AND INVITE YOU TO ATTEND OUR MEETINGS. THE NEXT MEETING WILL BE IN SEPTEMBER, WITH THE SPECIFIC DATE TO BE ANNOUNCED. A MEMBERSHIP APPLICATION BLANK IS ENCLOSED AS WELL.
HOPEFULLY YOU WILL WANT TO BECOME A RADIO AMATEUR IN THE NEAR FUTURE.

THANK YOU FOR THIS OPPORTUNITY TO BE OF SERVICE.

SINCERELY YOURS,
